JAZZ IMPROV WORKSHOP WITH

KEVIN CRABB

The workshop will feature performances by an all-star lineup of musicians: David Garfield (George Benson, Karisma) on piano, John B. Williams on bass (Tonight Show, Arsenio Hall), Kim Richmond on sax (Kim Richmond Big Band, Louis Bellson) and Kevin on drums. There will also be a Q&A and an opportunity for students to sit in with the band.

Kevin began playing at 8 years old and at 16 began studying with Jim Blackley, one of Modern Drummer's top four teachers. He has since studied with an enormous list of some of the world's best including Dave Weckl, Peter Erskine, Alex Acuña, Mike Shapiro, David Garibaldi and more. He just recently released an original album with John Beasley on piano (Miles Davis) and the legendary Don Thompson on bass. Kevin teaches privately in his Los Angeles studio and maintains an international roster of students through Skype.
